

## CHOIR NEWS

During February the choir had a quiet time with just our regular service commitments to prepare for and one village funeral. We spent some time learning some new music including a John Rutter anthem that we performed at a recent funeral. Choir life will start to get a lot busier from now on as we have lent, Holy Week and Easter services to rehearse for. I love this time of year as we get the chance to sing a very varied and challenging repertoire of music. The beautiful plainsong music

is perfect for lent and we then have classic choral anthems for Holy Week and Easter to look forward too.

There are now 25 members in the choir which means everyone can now take time out from service commitments as needed. We are a happy and forward-looking group who are always striving to improve so why not come and give us a try. We welcome both experienced and new singers as training is given as needed.
