

**Following advice from the Diocese. All gatherings where food and drinks are served will be cancelled with immediate effect. This includes both parish churches and Great Barton Institute. Therefore, Meeting Point, Men's Breakfast, Lent Lunch, Bangers and Bingo and Friday coffee morning. Also, any planned future events will be postponed until a further notice is issued. Please bear with us, we may think of a different format for Cafe Church in April and details will be shared in pew sheets, by email or on the website and Facebook.**

**Where Services are concerned these will remain as they are, but no food or drinks will be served. Again, this is until further notice is forthcoming.**

**Hot water will be provided in each church to facilitate hand washing and everyone is asked to participate. Particular attention to be paid by Priests, Servers, Sidespersons and those counting cash.**

**Thank you all for your cooperation.**
